TOUR ITINERARY

Day One

Upon arrival at Kigali International Airport, a driver / guide will transfer you to Heaven Boutique Hotel. After check-in you're free to relax in the room, by the pool or in the restaurant. If you arrive early, your guide may propose exploring the nearby city center or visiting the somber, but informative Genocide Memorial. If there's not time for that, you may have the opportunity on the last day of your visit to Rwanda.

Day Two

Following an early breakfast at the hotel, we will head to ASPIRE Rwanda, a non-profit that provides child care and career training to local women. Learn how to cook traditional Rwandan food and then eat lunch with the organizers and participants of ASPIRE. Gondwana Ecotours makes a donation in exchange for the nonprofit's time with us. Afterwards, we depart for Ruhengeri, the second largest city in Rwanda. Enjoy the beautiful backdrop of the five volcanic mountains—the Virungas—at Mountain Gorilla Lodge. We'll eat dinner at the lodge, likely going to bed early to get rested for a long day tomorrow.

Breakfast, Lunch & Dinner Included

Day Three

We eat an early breakfast and then head to Kinigi Park headquarters to meet our guides for the day. We'll set out for an easy/medium level hike to see the famous Golden Monkeys deep inside Volcanoes National Park. The monkeys are accustomed to human visitors and are usually very social and fun to watch. Though viewing is kept to about an hour, expect an up-close look at these wonderful monkeys in their natural habitat. Adult monkeys frolic in the trees, feeding on bamboo leaves and leaping from perch to perch. Females carry their youngest and don't appear bothered by our presence.

After leaving the forest we'll sit down for lunch. In the afternoon we visit Iby'iwacu Cultural Village, a non-profit organization that aims at improving the lives of reformed poachers and communities around Rwanda's Volcanoes National Park through conservation incentives, supporting enterprise development, and livelihood based projects. We visit the Karisoke Research Center next. Founded by world-renowned primatologist, Dian Fossey, the institute continues her legacy of mountain gorilla conservation with support from Ellen DeGeneres. This meaningful experience includes observing gorillas in their natural habitat, learning about the protection efforts for gorillas and their neighboring communities, and enjoying Rwanda's breathtaking landscapes. We return to the lodge afterwards for a delicious dinner and restful overnight.

Breakfast, Lunch & Dinner Included

Day Four

Following an early breakfast, we proceed to the National Park headquarters to meet our guides for the day. After completing necessary paperwork to visit the gorillas, we embark on a once in a lifetime experience of tracking mountain gorillas. The trekking may be fairly strenuous; up to six hours or longer at a relatively high altitude, so being in good shape and capable of walking on muddy, uneven ground in hot and humid conditions is a must.

Once we spot the gorillas, we are allowed to spend an hour watching our closest mammal cousin. This is perhaps one of the most breathtaking wildlife experiences on earth! You get so close to these awesome giant primates, often staring into their soulful eyes. Tracking the gorillas through the light mountain forest on the slopes of the Virunga is a magical experience. These massive primates are extremely rare, with less than 700 living today. We get within feet of these gentle giants and are privileged to spend an hour amongst them.

Later that day, we visit the Red Rocks Cultural Center, where you will have a chance to meet locals, see their artwork, learn how to weave traditional baskets and make banana beer! Then we return to the lodge for dinner and one last overnight.

Breakfast, Lunch & Dinner Included

Day Five

After breakfast at the lodge, we head back to Kigali and prepare for your journey home. Drive back from the park and, if you have time and haven't had the chance yet, visit the Genocide Memorial and some arts markets around town. The Kigali airport can take a long time to get through, so you will need to leave a few hours early for the airport security screenings.

This is a once-in-a-lifetime wildlife viewing tour and a chance to get to know a truly unique and progressive culture in Eastern Africa.

“

Excellent!! The tour was literally once-in-a-lifetime experience. Our local wildlife guides were experienced and knew the animals and their behaviors well. The size of the group was small which made everything doable. Our accommodations were very pleasant and comfortable throughout this tour. All in all I would give this tour a six out of possible 5.”
